

## TRANSFORM THE WAY YOU TRAIN

Delivering great training to your teams shouldn't be hard. Whether the technology is too cumbersome, or the courses you're deploying just don't meet the mark...we get it. That's why we challenged ourselves to deliver the best of both for you; an intuitive, easy-to-use LMS coupled with dynamic eLearning content developed by some of the most gifted experts in their field. We offer a single source training and development solution that delivers everything you need, without all of the hassle.

### eLearning content

TrainingToday's eLearning content provides training on a variety of important topics spanning 790+ courses. Our content is developed by in-house subject matter experts and can be delivered right through our LMS or yours.

- Business & Professional Skills
- HR Compliance
- Environmental Compliance
- Leadership & Management
- Anti-Harassment & Inclusion
- Sales & Services
- Mental Health & Wellness
- IT & Software Security
- Workplace Safety

## An LMS designed to perform

TrainingToday's learning management system is designed to enable your training success, with major features like video assessments, authoring tools, spaced repetition, drip learning, and:

- **Rules-based assignments**
  - » Schedule courses based on specific criteria like job title or location, making training implementation a breeze and ensuring compliance with state-specific requirements.
- **Streamlined tracking and reporting**
  - » Review performance, gain insight into training impact with reports and dashboards, or create custom reports delivered via email.
- **Maximize engagement**
  - » Our feature-packed LMS keeps learners motivated and managers informed on team members' progress, understanding, and course completion.
- **Custom-labeling capabilities**
  - » You can customize your client accounts with homepage branding, personalized URLs, and other valuable features.

## Transcend traditional training

Ideal for large organizations with strenuous demands, our enterprise solutions helps integrate and align the various facets of your business—from hiring and training to grooming future leaders.
