SWAG BAG

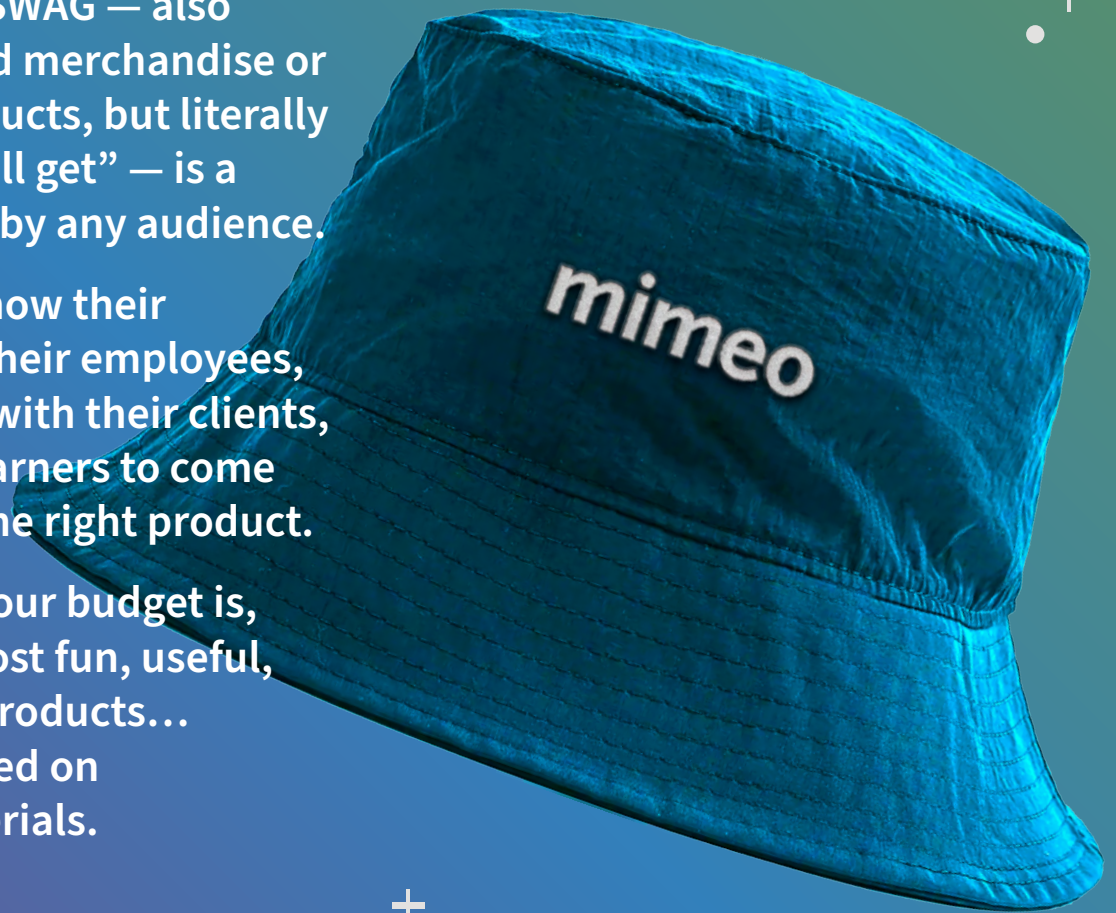

PROMOTIONAL PRODUCTS TO MAKE AN IMPRESSION

EVERYONE LOVES SWAG.

Regardless of industry, company size, or location, SWAG — also known as branded merchandise or promotional products, but literally means “stuff we all get” — is a well-received gift by any audience.

Companies can show their appreciation for their employees, stay top-of-mind with their clients, and encourage learners to come back again with the right product.

No matter what your budget is, Mimeo has the most fun, useful, and memorable products... beautifully branded on high-quality materials.
