

## Diversity Best Practices: Extend the Effectiveness of Your DEI Team

DBP is the leading source of research and advisory services for corporate DEI leaders. Through four key areas of support, we empower inclusive workplaces and amplify the impact of your team.

### Proven Practices and Implementation Tools

- Best practice studies and insight reports
- DEI strategy guides, tools and templates
- Insight sharing opportunities available between partner organizations

### Access to Expert Advisors and Custom Research

- Access to DBP expert advisors
- On-demand custom research requests
- Annual insights of key metrics from our Seramount Inclusion Index

### Resources and Support for the Larger Organization

- Access to online DEI resource hub
- Monthly awareness-building webinars for internal audiences
- Diversity holidays and heritage month resources

### Networking, Conferences and Education Sessions

- Quarterly partner-only conferences
- DBP member circles
- Virtual or on-site Partner Intensives

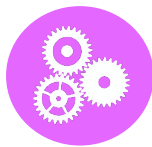

### Our Deep, Experience-Driven DEI Insights Get You Further Faster

**Strategic Talent Management**

**DEI Strategy & Accountability**

**Activated ERGs**

### Serving 450+ Member Organizations and Impacting DEI Globally

Seramount has been a trusted partner not only to our Global Diversity, Equity, and Inclusion organization but the entire company. We have frequently tapped into their expertise as we develop our DEI programs. The breadth and depth of their next practices have helped us evolve our strategies and create an even bigger impact.”

**Magda Yrizarry, Chief Talent and DEI Officer, Verizon**
