Tailored Assessments for Your Unique Needs

You are not forced to select from a few off-the-shelf reports. Choose from 100s of different options or even create your own assessments.

Choose Pricing Model That Fits Your Budget

We offer per person and license pricing options. For a fixed fee, the unlimited use license allows for an unlimited use of assessments. You never have to worry about exceeding your budget.

One Questionnaire, One Price, Multiple Assessments

Once a person completes the questionnaire, the results can be provided in any format, at no additional cost, and without having to ask employees to spend their valuable time completing multiple questionnaires. Pair, Team, and Organizational Assessments are provided at no additional expense.

Certification Options that Offer Recertification Credits

Certification is recommended, but not required. We offer several Certification options, all providing recertification credit hours toward PHR, SPHR, GPHR, SHRM-CP and SHRM-SCP recertification.

Internationally Validated Assessments

FinxS® assessments are globally validated - and consistently re-validated - to ensure reliability and accuracy. The most recent worldwide Validation Study had a sample size of 960,810 individual and encompassed over 110 countries, 77 languages, different age groups, genders, National Stress Indicator, and Code of Fair Testing practices.

Award-Winning Support Tools

We are famous for the quality of our support tools and materials.

Gender Neutrality and GDPR-Compliance

Assessments are available using gender-inclusive language that does not discriminate against a particular sex, social gender or gender identity, and does not perpetuate gender stereotypes. FinxS® is fully GDPR-compliant.

Exceptional Client Support

When you need help, you need it now. We have dedicated client service employees and a team of coaches to ensure exceptional facilitator support and customer service. We are committed to providing the most responsive and best service in the industry.
