

# Sales Training Reinvented

The Sales Gravy University Team Account is everything you expect from enterprise level sales training, at a fraction of the cost.

## Built for Teams, Designed For Leaders

Sales Gravy University is an innovative platform that makes it easy for scaling sales teams to deploy training, ramp new hires, up-skill veterans, and drive performance improvement.

### Unparalleled Learning Experience For Your Team

#### Learn From The World's Top Sales Trainers

Access to a comprehensive catalog of on-demand courses and live virtual instructor-led workshops.

#### Join Mastermind Groups

Learners may take part in facilitated, rigorous mastermind groups where they will be coached alongside top performing peers.

#### AI-Powered Recommendations

AI-powered course recommendations prompt learners with relevant content based on role and interests.

### Full Control, Reporting, and Admin Access For Leaders

#### Admin Dashboard & Visibility

You control learners, licenses, content, and reporting from your personalized admin dashboard.

#### Private Training Portal

Includes a secure, 256 bit encrypted, SSO enabled, customizable team training portal.

#### Our Content, Your Brand

Customize and configure learner dashboards with your brand, gamify learning, and curate content inside your team portal.
