

Equity, Diversity, and Inclusion Maturity Assessment & Webinar

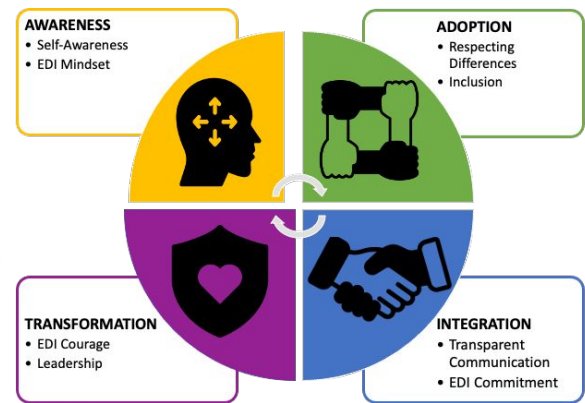

Do you need a research-based path to guide your equity, diversity, and inclusion development goals and planning?

The DJA EDI Maturity Model™, describes the 5 stages through which individuals and organizations progress on the path to full EDI integration and sustainability. The DJA EDI Maturity Assessments™ provides a snapshot in time that allows you to chart a course of action, for your personal growth or capacity building within your team. Following the assessment, you are equipped with action items to pursue your EDI strategic next steps.
