

# Regroup

Your partner to develop leaders, teams, and culture

## Do you lack the time to do it all?

We've been in your shoes. You're juggling a lot, with limited resources, AND you have big ambitions to develop your leaders, managers, culture and organization. But, off-the-shelf training isn't enough.

At Regroup, we're your partner in growth. Leveraging a decade of experience in developing teams and managers at Google, our founder and CEO has built Regroup with a vision to improve how leaders and teams work together, even when apart.

We don't do cookie-cutter training, as Organization Development experts with big-tech L&D experience, we uncover your needs and create custom solutions that lead to real change.

Trusted by innovative companies, big and small

## With Regroup you can

### Assess Team Health

Our research-based, 360-degree team health assessment provides valuable insights into a team's dynamics. Our customized reports offer actionable guidance to improve team health and cohesion.

### Improve Team Dynamics

We strive to enhance the level of understanding and shared ownership within teams. We facilitate changes that nurture psychological safety, clarity, and a sense of belonging.

### Build Team Cohesion

We ensure that every team member feels heard and included, fostering relationships that promote a sense of connection and mutual respect.

### Strengthen Manager Community

Our workshops and group coaching provide a platform for managers to build connections and share insights. We create a supportive community where managers can learn from each other's experiences.

### Grow Leaders and Managers

We equip managers and leaders with practical tools that enable them to not only navigate their roles effectively, but to thrive in the challenges of modern leadership.

### Scale to Develop Leaders and Teams

Our solutions and team size scales to help you reach as many leaders or teams you need., without impairing the quality of the experience.
